
The Neil Squire Society Atlantic Solutions teams is currently seeking a qualified Occupational Therapist to become an integral part of our New Brunswick. This is an excellent opportunity for a dedicated professional to contribute their expertise to our mission.

The Neil Squire Society is committed to fostering a collaborative service approach, underpinned by a supportive team environment that is unparalleled in its inclusivity. As a member of our Solutions Team, you will have the opportunity to collaborate with a diverse group of professionals, including Occupational Therapists, Certified Assistive Technology Specialists, and Digital Literacy Specialists. Furthermore, you will gain access to our innovative teams of Engineers, as well as our Employment Specialist Teams, Vocational Rehabilitation Specialists, and Case Managers. This multidisciplinary approach ensures a comprehensive service delivery that meets the diverse needs of our clients.

Job Description: The primary responsibilities of this role encompass conducting workplace ergonomic evaluations, performing job site analysis, preparing return-to-work programs, and engaging in assistive technology related programs. This position requires a focus on enhancing workplace efficiency and safety, and a commitment to leveraging technology and various other accommodations to support our clients.

Geographic Location: Open to all areas within the province of New Brunswick.

Workplace Arrangement: The role entails a blend of in-office assignments and distance/remote work. Occasional visits to client work sites will be necessary as part of the job responsibilities.

Language Requirement: Proficiency in both French and English is a mandatory prerequisite.

Technical Skills: Proficiency in digital literacy is a mandatory requirement. Candidates with demonstrated expertise in Assistive Technology will be given priority consideration.

Working Hours: We are flexible and open to both full-time and part-time employment arrangements.

Compensation: The salary is open to negotiation based on the candidate's qualifications and experience.

Individuals who are interested in the opportunity are kindly requested to submit their resume via email to charlesl@neilsquire.ca. We appreciate your interest and look forward to reviewing your application.
