

Range of Motion Physiotherapy is a multi-disciplinary clinic in downtown Fredericton that opened in 2004. Range of Motion Physiotherapy employs 6 Physiotherapists, 3 Occupational Therapists, 3 Massage Therapists and a Kinesiologist, who work together in a team like atmosphere. We are a well-established and respected clinic with an expansive list of referral sources and contracts that keep our clinic consistently busy with no lack of clientele for our therapists. Our staff are competent and professional, and many have 10, 15, 20+ years' experience working in private practice.

Range of Motion Physiotherapy has an opening for another Occupational Therapist to join our team. We are looking for an Occupational Therapist with an interest in Ergonomics, Return to Work Planning, Home Assessments and Cognitive Rehabilitation.

- Our clientele is a mix of private referrals and third party referrals (MVA/LTD/WSNB/Veterans Affairs).
- The successful candidate will have an immediate full case load.
- Signing bonus \$2500k– must have license to work in New Brunswick and be in good standing with the College. (for full-time applicants) or have the potential post-graduation to be licensed.
- Educational Support \$1500 yearly
- Opportunity to work with two highly trained Occupational Therapists with 20+ years of experience.
- Pay can be by commission/fee for service or salary - to be discussed with interested candidates. Pay is competitive.
