Horizon Health Network is seeking an Occupational Therapist to join our Centracare team in beautiful Saint John, New Brunswick!

Life in New Brunswick is defined by balance—between meaningful work and time to enjoy what matters most. With its picturesque coastlines, charming communities, and easy access to outdoor adventures like hiking, biking, kayaking, and skiing, New Brunswick offers an unmatched lifestyle for those who value nature, space, and a slower pace of life. Affordable housing, short commutes, and a strong sense of community make it an ideal place to live, work, and raise a family.

Professionally, the Occupational Therapist is an integral member of the Centracare team, working with a skilled multidisciplinary team of professionals to deliver comprehensive, patient-centered care.

What you will do:

- Participate in interdisciplinary care planning
- Assessing, planning, and providing therapeutic interventions to individuals and groups
- Using assessment tools to assess mental health competencies
- Liaising with families, employers and community stakeholders
- Monitoring and responding to high-risk mental health activities
- Maintaining clinical records and documentation
- Providing guidance and support to therapy assistants and other health care providers
- Participating in developing and sharing information related to clinical skill sets, best practices and clinical guidelines

Who you are:

- Must be registered and a member in good standing with the New Brunswick Association of Occupational Therapists and eligible for membership in the Canadian Association of Occupational Therapists.
- Must have current BLS (Basis Life Support).
- Experience working in a multidisciplinary team environment is an asset.
